

WABUN AUGUST 6, 7 & 8 END-OF-SEASON SCHEDULE

We cordially invite camper family members, Wabun alumni/ae, and friends to join us for festivities celebrating the close of Wabun's season. This is an extraordinary time and offers, in a fabulous compression, a full-bodied snapshot of what we celebrate at Wabun and why. If you are able to make it, wonderful! If you are not, do not fret, your child will be scooped up and celebrated by the Wabun family in your absence. As you think about being with us, please know there are a few camp pets here who have spent the summer together working out their canine posturing and introducing new animals to the established hierarchy could well complicate matters. We take advantage of this opportunity to ask you to leave your pets at home. We appreciate your understanding and cooperation in advance.
